Scenic Views. Modern Living.

The Portland combines the simplicity of a classic bungalow with the elegance of a finely designed home. The large great room is a perfect gathering spot for family and friends. The galley kitchen is simply efficient, opening up to the great room. The three piece primary ensuite boosts the primary bedroom into a perfect get away. A home office is nicely positioned away from the living space, adding to its privacy. Sophisticated columns grace the front of the house and the peaked roof is a lovely design. The Portland is perfect for a long and narrow lot.
